### **John Lovell**

CAHU Lobbyist/Legislative Advocate

John Lovell is one of the most respected lobbyists in Sacramento. Over the past 20 years, 99% of the bills he has lobbied for have been signed into law in the California Legislature. Even more significant is the fact that no bill he has opposed has ever been enacted.

John's work is frequently followed by the news media and it has been said that "If you are serious about getting things done in the California Legislature, you need John Lovell on your side."

John has an impressive list of current and former clients. Among them are Donald Trump, The DuPont Company, the 1984 Los Angeles Olympics and the California Peace Officers Association. The Orange County Register recently called John "One of the most powerful and well-connected lobbyists in Sacramento."

CAHU's legislative efforts are second to none, so please read John Lovell's Capitol Rap, a weekly blog on happenings in Sacramento read by many legislators themselves! You can read John's column CAP Rap on the CAHU website at [www.cahu.org](http://www.cahu.org).
